FOR SOCIAL RESPONSIBILITY**

## **“The Buzz” – February 2019**

**(Official Newsletter of the Pittsburg Y)**

We're off and running into the new year! We spent a lot of January trying to promote the Y and spread the word that there are some new things in the works. We're excited about the potential we have. We continue to look to the future to find ways to provide more for you. In the meantime, all our staff, directors, faculty and coaches have been involved in Customer Service Training Seminars. We will continue to work to improve with professional development training over time. We are working hard on communication not only with members but within our organization so that processes go more smoothly for everyone.

I'm closing in on completing my first year. We have made some strides, but in my mind we've only scratched the surface. I'm looking forward to continuing to work to streamline our operation and become more efficient in every way. I know our staff is committed to learning, working and improving to provide the best possible experience for all of you. If you have any suggestions along the way please don't hesitate to contact me. Thank you for your patience and continued patronage! Mike

**Youth Programs** – Boys Basketball is underway. Spring is just around the corner and that means soccer. Look for the schedule in the coming weeks.
